MEMORANDUM FOR COLONEL SHERMAN

Subject: NIR - China

1. Reference your note re NIR
2. Will you please read the ICAPS minutes of the inter-agency meetings dealing with the initial developments of NIR, following this up with a reading of the minutes of the IAB meetings on NIR. You will find much discussion of the points you raise.
3. After this historical review, I should like to talk with you as to a possible solution of what is admittedly a confused issue.
